WHY YOU NEED TO JOIN ICENT NOW

.... ICENT WILL HELP YOU TURN YOUR IDEAS INTO REALITY

THE INSTITUTE OF CLASSIC ENTREPRENEURSHIP OF NIGERIA (ICENT) is the Africa's most prestigious and forward-thinking professional entrepreneurship body primarily focusing on production of successful entrepreneurs by building capacity in Entrepreneurship, Small Business Management, and related disciplines through offering of a powerful formula that does not only equip you with a well-rounded and internationally-relevant entrepreneurship education based on internationally-competitive curriculum, but one which also provides you with extensive practical experience and industry relevant skills in turning ideas into viable businesses. We call this the "ICENT Professional Model" that grooms you to become a Future Ready Professional (FRP).

—turning your ideas into viable businesses

UNIQUENESS OF ICENT

... ICENT has re-written the history of Entrepreneurship in Africa

- ICENT is the only entrepreneurship institute in Africa with a rich Governing Council and Management comprising of three (3) professors of entrepreneurship, fifteen (12) Doctors of Entrepreneurship and highly qualified individuals from multi-disciplinary fields, directors of entrepreneurship development centres and internationally acclaimed entrepreneurship mentors required for production of thorough-bred entrepreneurs.
- ICENT equips students with knowledge and skills of entrepreneurial decision making, opportunity recognition, assessment, creation, shaping, seizing and exploitation; especially the analytical skills needed for recognising, defining and solving problems; and develop in students soft skills required for success (e.g. leadership, communication, interpersonal relations, negotiation, logical/analytical thinking, time management etc) as well as entrepreneurial, small business, financial and marketing management competencies with relevant Skills
- Acquisition and Venture Creation programmes.
- As a mark of distinction, ICENT is the only entrepreneurship institute in Nigeria, with well-structured programme and internationally competitive curriculum, meritorious assessment criteria for students and self-authored study pack.
- We have more than 3,000 fully qualified members in Africa. They are among the continent's best-qualified and successful entrepreneurs working in every sector you can imagine. Our members were appointed Governor, Minister, Deputy Vice Chancellors, Rectors, Provosts, Registrars, coordinators/directors of entrepreneurship centers, first-class royal fathers, senior military officers, CEOs, Director Generals, Heads of Parastatals, legal luminaries and religious leaders to mention but few.
- ICENT is the first in Africa to establish a College of Entrepreneurship and Small Business Management (CESBM).
- ICENT is the first in Africa to float African Journal of Entrepreneurship and Small Business Management (AFRIJESB).
- The ICENT's success is measured in our results. These are more than numbers – they represent the hopes, dreams and the hard work of several individuals and families each and every year.
- ICENT member manufactured fuelless generator
21 start-up businesses created
- ICENT member manufactured wooden wrist watch
- ICENT member manufactured wooden wall clock
45 consulting clients who have grown their business
334 jobs created or impacted
- ICENT member produced presidential medallion
- N135 million in capital raised
- Over 10 programmes and seminars educated more than 250 business leaders
- 27 graduates in Diploma and 32 graduates in the Postgraduate Diploma in Entrepreneurship Class of 2017
- ICENT facilitator manufactured anti-inflammatory cream, medicated soap and powder
